149	AL RISSA RIZKI HERA RINANDA	A18	mr AL					#####	77				I think you're good enough for speaking, ms. But I gonna give you a little correction for this exam ya ^^ . You always say because with "because" not ""because": /bɪ'kʌz/'. When you say 'campus', it's not 'cempyus' but ""campus": /'kæmpəs/'. You always read. Instead, it can be more awesome if you just go with the flow. When you read maybe you can get the perfect word to say, but when you just speak, it could train your brain to always	77

151	ENDAH MEILIANA	A18	mr AL					#####	79					Hi sister, you're so cute ya. Hahaha. Okey I gonna give you a little advice for our last exam ya. I think you are still confused about the difference between F and P ya? Hehe it's okay, I have a friend from Borneo too, and have the same problem as you. But she's getting better and smart tho' ^^ I think you can be that too :) Okay ya, so it's not 'syofi' but 'syopi'. When you say "cause" is /kə:z/ not kaus. Tht's all sister, nice try keep it up ya	79

152	ENI SUKMANINGSIH	A18	mr AL					#####	80				I will give you some advice for our last exam ya ^^. You're doing great sister. Basically, you know how to speak, and you can organize words well. Good job. Lemme give you just a little correction. Okay when you say student, it's /'stju:dənt not "staden". when you say study, it's /'stʌdi/ not "studi". So those are the different. Thank you, keep it up ^^	80

It's not about to habit but "about habit" or "about my habit". It's not "my good habit is to exercise" but "my good habit is exercise" or "my good habit is doing exercise". Keep it up sir ^^	77
